Aaron (9) is still running in excellent form and should fight for victory this year as in the previous starts. **Bleu Roi** (10) won in an outstanding style, but this time has to tackle the race from the second row, so everything has to run optimally for another success. **Unforgettable** (2) comes after a break but always showed strong performances in the previous year so that she can be trusted to achieve a top position here as well. **Gwendoline Go** (4) is running in pretty good shape, but here it meets a different caliber than in the last few appearances, so everything has to run optimally. **Folies Bergère** (11) does not have an easy starting position from the second row, but can fight for a top 3 place if the pace is fast and in a good position. **Seppi Barosso** (1) will use his strong start as in the last starts to create a good starting position to get one of the better money again. Somebody's Diamond (7) needs a little luck with one of the outer start numbers to be able to fight his way into the front meeting. **O Mia Bella** (5) has to show more than in the last stages, but like last year she can certainly cause a surprise. **Revento J** (3) comes back to the process for the first time after a long break and will get a calm build-up race. **Olena** (8) has recently improved a bit, but with the bad start number it is probably too difficult to run forward again.
