## Wettstar - Tipp:Eve de Veluwe (2) – Luna Sunrise (1) – Faster than Usain (4)

**Eve de Veluwe (2)** had to do a lot in the early stages and was then left behind the later runner-up on the inside edge without a clear run, this time the start-finish tactic will probably be chosen again to start a new streak of victories. **Luna Sunrise (1)** will be the same as the second place on February 7th. try to find the slipstream race behind the favorite in order to win out of it in time. **Faster than Usain (4)** will probably have to go a long way again, but judging by the last performances, he is a hot top 3 candidate. **Chac Pipe BMG (7)** has to show itself from a better side than in the previous week in order to win a place money. **Nanoko OV (8)** made a mistake at the start after the break, if he comes over the course he is definitely good for better money. **Yesterday Venus (6)** may surprise in the smaller field this time. **Madness (5)** showed a small increase in form two weeks ago and can fight for a little money. **C'est Tout Simoni (3)** is currently making a very bad mistake, but it will not be easy even with a smooth gait.
